Medical aid is unaffordable. Government clinics are overcrowded. Your employees fall through the cracks.

your team gets:

- 1 virtual consultation per month (R250 value)
- Unlimited access to health content library
- Screening reminders — BP, glucose, pap smear
- Quarterly wellness newsletter for your team
- Direct WhatsApp access to health guidance
- No medical aid, no paperwork, no queues

WHY EMPLOYERS WIN

Invest R200, Get Back Much More

Employee Retention

Healthcare benefits are a top-3 retention driver for SA employees

Absenteeism

Preventive care catches issues early — fewer sick days

Differentiation

Stand out as an employer that actually cares about their people

Start With These Employers

SECTOR	EXAMPLES	PRIORITY	EMPLOYEES
Cleaning Services	SweepSouth, Tsebo	HIGH	500-5,000
Security	Fidelity, ADT	HIGH	1,000-10,000
Hospitality	VIDA, Burger King	HIGH	50-500
Construction	Mid-size firms	HIGH	20-200
Farming / Packhouses	Farms, agri-processing	VERY HIGH	50-1,000
Retail	Checkers, Shoprite	MEDIUM	1,000-20,000
NGOs	Community organisations	MEDIUM	10-100

Pilot phase: 5 companies → free 1-month trial (10 employees each) → case study → scale to 50.

THE COST COMPARISON

No Competition. Just Common Sense.

Medical Aid

R1,500+

per employee/mo

Waiting periods + paperwork

Gap Cover

R350+

per employee/mo

Only hospital, no GP access

ALIENTO

R200

per employee/mo

Full GP access • No waiting • No paperwork

**R200/mo vs R1,500+ for medical aid. Save
R1,300+/employee/month — 87% less.**

Beyond Competition: Partner With Discovery

Discovery's Flexi Plan (R599/mo)

- A great product — R599/mo for hospital cover + day-to-day benefits
- But for SMEs: 20 employees × R599 = R11,980/mo — out of reach
- Aliento at R200/emp/mo is complementary, not competitive
- SMEs: Aliento for GP access + Discovery for hospital = complete care

THE REAL PLAY

Pitch Aliento as a Discovery Service Provider

- Aliento GP as Flexi add-on
- GP layer (us) + hospital (Discovery)
- Revenue share or per-consult
- Access to 1M+ Flexi members

Two-track strategy: ① Direct-to-SME (R200/emp/mo) • ② Discovery partnership (scale to millions)
